We need an experienced individual with at least a minimum of 1-2 years experience in the industry. We don't do drama here; we all work hard and want someone who really can join in and be a part of our team. We strive to provide excellent service and education for our clients. Must possess good communication skills, have an outgoing personality, excellent customer service skills, ability to present treatment plans with confidence, assist in exam rooms and in surgery, and educate owners about preventative care. Ability to use veterinary software (Impromed) a plus. If this sounds like you and you want to join an awesome team,
