Amazon is looking for individuals who can thrive in a fast-paced environment that involves working with and around moving machinery. Fulfillment centers are where associates bring Amazon orders to life for our customers.

About Amazon Fulfillment centers:

Amazon Fulfillment centers can be as large as 28 football fields and can hold millions of items, ready for our customers to order by the click of a button. You will work with lots of fellow Amazonians-and meet even more great people during the holiday seasons. The items shipped in each warehouse can range in size from books and cosmetics to kayaks and flat screen televisions. As an Amazon associate, there are a variety of jobs you can be trained in and asked to do. These include but are not limited to stowing items into a bin, picking customer orders, packing these orders, sorting items and placing packages on to trucks. Our Amazon Robotics facilities use automation to help you quickly serve our customers by having an Amazon robotic unit bring products to your workstation. In traditional buildings, you do the moving by walking to the product. Some
