About Amazon

"We actively seek leaders who can invent, think big, have a bias for action and deliver results on behalf of our customers. These principles look very familiar to men and women who have served our country in the armed forces, and we find that their experience leading people is invaluable in our fast-paced work environment." - Jeff Bezos

At Amazon, thousands of veterans and military spouses are driving innovation and raising the bar on customer experience. On a daily basis, those with military backgrounds are able to apply their knowledge, skills, and leadership abilities in a wide variety of careers - influencing change across the globe. We believe a career change from the military to a civilian role at Amazon is a natural transition because of the robust programs Amazon offers to help employees succeed, including a vast internal network of veterans that offer mentoring, learnings, and support.
