ABOUT AMAZON

At Amazon, we have a peculiar culture built on pioneering into unknown and new frontiers. From selling books to creating the Kindle; from making films to launching faster delivery, Amazon reinvents normal. After selling the first book in 1995, we have grown at an incredible rate and have become the universe's most customer-centric company. By hiring those who take risks and find fulfillment through making the impossible commonplace, Amazon cultivates a culture of innovation. Every employee at Amazon has the power to forge their own path and to have a true impact on the business...and we find that exhilarating!

 USIC, LLC (USIC) is one of the nation's fastest growing underground utility locating companies. By locating underground utilities, we are protecting the communities where we live and work. Gas Service Technicians are responsible for maintenance and tasks associated with gas systems, such as collecting GPS coordinates on gas utilities and equipment, configuring GPS units for compliance, collection of gas assets, reporting abnormal operating conditions, and distributing work notification flyers, as required. This includes taking time to thoroughly search for underground utilities in an area, sync GPS coordinates with required satellites, and ensuring all GPS data is downloaded and required paperwork is completed. Our "mobile office" approach to work means that you will never have the same day twice. Our Technicians work from a company vehicle or their personal vehicle utilizing our state-of-the-art ticket and claims
