When May Institute was founded in 1955, little was known about autism. Children with autism and other special needs were often institutionalized for life. Our founders, Dr. Jacques May and his wife, Marie Anne, had twin boys with autism and a vision of enabling their sons, and children like them, to lead the fullest lives possible.

Today, May Institute is an award-winning national nonprofit organization that serves children and adults with autism spectrum disorder and other developmental disabilities, brain injury and neurobehavioral disorders, and other special needs at more than 140 locations across the country.

<b>12736128</b>	<b>WASTEWATER OPERATIONS SUPERVISOR</b>		<b>4 25</b>	<b>FALL RIVER</b>			<b>INETEMPL</b>	<b>10/14/19</b>

In Fall River, MA, Veolia operates water facilities: a 30.9-MGD pure oxygen secondary-activated sludge wastewater treatment plant, 15-dry-to-per-day multiple hearth furnace, 14 pump stations and a regional collection system. In addition, Veolia conducts industrial pretreatment program analyses and river sampling, and performs collection system rehabilitation, CSO tunnel management and 5,000-dry-tons-per-year sludge incineration and disposal.

To support these operations, Veolia is seeking an Operations Supervisor who will plan and coordinate activities of workers to operate and maintain wastewater treatment, processing, disposal and testing equipment in wastewater treatment facility to purify water to meet permit requirements and operational requirements. This is a variable shift position who will work some nights and weekends to support 24 hour operations.
